Faxed, emailed, incomplete or illegible applications will not be accepted or processed and will be discarded or returned to the applicant if sufficient information is provided for their return.

3. Application and License Fees. There shall be no fee required to submit an application, but if the application is accepted by the Authority, and the applicant executes a renewed or new License Agreement with the Authority substantially in the form attached hereto as Exhibit B, the applicant shall be required to pay a License Fee in the amount of six hundred seventy-four dollars (\$674) for the Term ending October 31, 2028; provided that the License Fee for any License renewed or issued after June 30, 2019, will be prorated over the remaining Term at \$6.00 per month, including the full month in which the License is renewed or issued.
